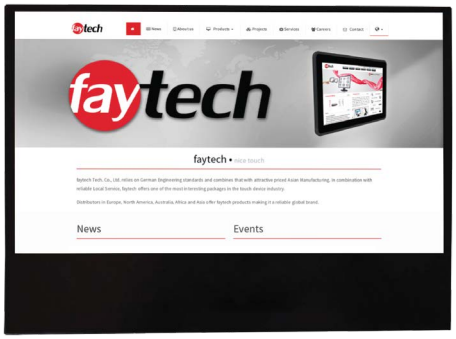
- **Works with capacitive touch stylus (EETI touch)**
- **Weight of around 450 grams**
- **Plug and play ready**



This **lightweight portable monitor**, also known as the **faytech flat**, is the perfect solution for people that require an extra screen while doing their day-to-day activities. Whether you connect it to your mobile phone, tablet or laptop, it will be an easy and convenient way of extending (or duplicating) the screen of your smart device over **USB Type-C** or **HDMI cable**.

With a weight of only **450-gram**, **12.5 inch** in size and **10-point multi-touch**, is this monitor a great tool for people on-the-go. Whether you are on a business trip, with the need to give presentations in different locations, a student constantly working on different projects or just a casual traveler that needs an extra screen, **faytech flat** is the solution for you.

Included with the device is a **flexible stand**, **USB Type-C cable** (1m) and **protection case.**
